JOIN US IN BUILDING A MEMORIAL THAT TELLS A UNIQUE AMERICAN STORY

Your contribution to the Bainbridge Island Japanese American Memorial will help build a place of inspiration that will tell an unforgettable story of humanity, courage, honor and patriotism unlike any other in U.S. history. Your generous donation is tax deductible.

Designed by world-renowned and award-winning architect and island resident Johnpaul Jones, your contribution will support the completion of the next phases of the Memorial:

- **The Story Wall**, a 272-foot long wall of granite, basalt and cedar, artistically presenting a reflective and moving history from the eyes of the families forcibly taken from Bainbridge Island and interned in camps.
- **The Interpretive Center**, a dynamic and interactive timber-framed Green-Built museum where details of the World War II internment history and Bainbridge Island's own all-American story will be exhibited.
- **The Meeting Room**, a beautifully designed space inspired by timeless tea house architecture for use by schools, tours and community groups.
- **The Departure Pier**, a 150-foot replica of the historic Eagledale ferry dock where 227 Bainbridge Islanders walked down and were taken away from their homes to be imprisoned in internment camps.
